

# PINARD

BEAUTY PACK

## OUR ETHICAL CHARTER

Creation: the 10/07/2020  
Update: the 21/04/2021

# OUR VALUES

## Passion

Our company is primarily a human adventure, which draws its dynamics and cohesion in the passion of its founders passed down through generations. This shared passion drives the involvement of our leaders and the daily commitment of our teams.

## Excellence

The pursuit of excellence is at the heart of our DNA. It is reflected in the exercise of our business by a culture of the requirement associated with a desire to go beyond in an approach of innovation and continuous improvement to offer the best to our customers.

## Respect for commitments

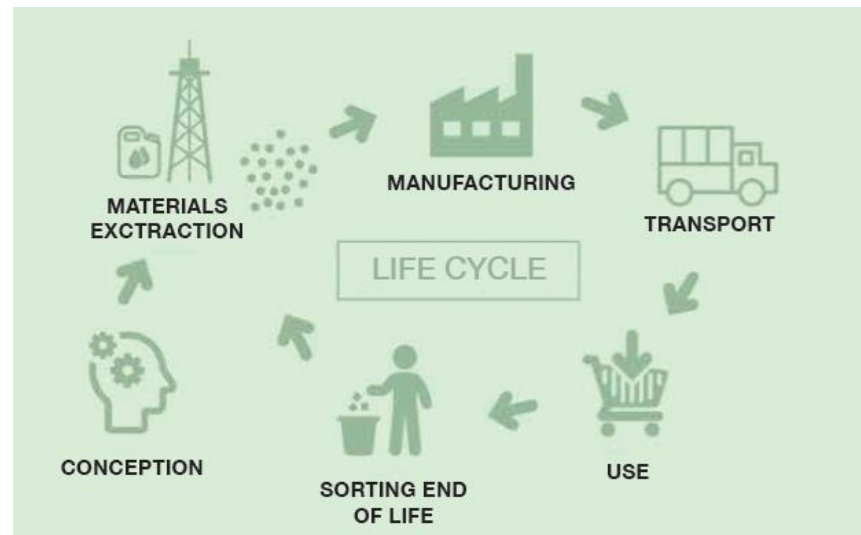

For us, the given word is not negotiated. The respect of deadlines, quality and prices is the foundation of our long-term relationships of trust with our customers and the key to our performance.

# OUR VALUES

## Respect for people

Our company, because it is part of a family business approach, is a carrier of a collective human project, which fully integrates the men and women who make it live and grow daily. This implies a sustained attention of the leaders to the motivation and the well-being of the teams, and the will to associate them with the life of the company in a climate of listening, dialogue, transparency and respect.

## Respect for environment

As a producer of processed plastics, attentive to the challenges of our planet, we take our environmental responsibility seriously by promoting the reduction, reuse and recycling of our waste and by developing new ranges of products based on recycled or bio-sourced raw materials.

## THE PRESIDENT

*« Because the quality of our products requires the best of our commitment, we strive to satisfy our customers while respecting our human and environmental values. »*

Thomas Pinard  
President

## OUR VISION

Our image and our reputation in the market with our customers are based on the quality of our products and services but also on the confidence that Pinard Beauty Pack inspires in all its partners.

Professionalism, the quest for excellence, commitment are the culture of our company but beyond ethics and deontology are prerequisites that can not be compromised. The respect of our commitments in the field of ethics calls upon the sense of responsibility of each and every day.

### **Pinard Beauty Pack is committed to:**

- Respect the rules relating to work, employment, health and safety and the environment
- Respect moral and republican values: equal opportunities, solidarity, spirit of justice, non-discrimination
- Respect the rules of competition law
- Respect the confidentiality of each file and treat with fairness and honesty all its customers and suppliers

## OUR VISION

### **Pinard Beauty Pack strictly forbids its employees:**

- To accept an illegitimate advantage in kind or money, gifts or invitations that can be described as corruption, complicity, favoritism
- To join agreements with competitors

Management and all employees are committed to making ethics and deontology a reality on a daily basis.

# I- RESPECT FOR PEOPLE

- **WORKING CONDITIONS**

A dignified, clean and secure working environment, in accordance with applicable standards and laws on health and safety at work in France is strictly implemented. Beyond the regulatory provisions, Pinard Beauty Pack is attentive to occupational risks and deploys daily actions to improve well-being at work and optimize the industrial environment.

## **WORKING CHILDREN**

Pinard Beauty Pack does not employ children.

We scrupulously respect the French law concerning children and the employment of young people under 18 years old

We impose these same rules on our subcontractors and our suppliers

# RESPECT FOR ENVIRONMENT

As a player in the plastics industry and recognized in the cosmetics packaging market, Pinard Beauty Pack has a dual role to play in the transition towards sustainable development.

## LIMIT YOUR ENVIRONMENTAL IMPACT

Forerunner in the use of innovative materials such as the use of heat pumps, Pinard Beauty Pack has always fought against waste and value for money.

Pinard Beauty Pack invests every year in its production tool to guarantee the use of latest generation machines that use less energy.

## ECO CONCEPTION

Eco-design is at the heart of our blower business.

Pinard Beauty Pack develops daily ranges of standard products, recyclable materials, easy to sort for the end consumer. Pinard Beauty Pack offering standardized and innovative packaging solutions is helping to improve the recycling of plastics.

For more than 10 years, Pinard Beauty Pack has approved recycled and biobased materials as an alternative to traditional plastics. With this experience in the use of these materials, we deploy to our customers advice in eco design to increase their use.

## III- DEONTOLOGY

### **CONFIDENTIALITY & PROTECTION OF SENSITIVE DATA**

Employees may not use or disclose confidential and / or sensitive information that comes to their knowledge in the performance of their duties, for any purpose or in any way prejudicial to the interests of Pinard Beauty Pack.

Any violation of this provision may result in disciplinary sanctions as defined in each institution.

Each project is treated with the utmost confidentiality. Pinard Beauty Pack imposes these same rules of confidentiality on all its suppliers and subcontractors.
